RE: Notice of Ex Parte Comments - 2 Copies filed in the proceeding titled: *In the Matter of Inter-Carrier Compensation for for ISP-Bound Traffic* - CC Docket No. 99-68

Madam Secretary:

On April 12, 1999, Pennsylvania Commission David Rolka, Commissioner Rolka's Advisory Counsel - Ms. Betsy Barnes, and NARUC Assistant General Counsel met with FCC Chairman Bill Kennard and his advisor Tom Power.

Commissioner Rolka alerted the Chairman that the State members of the Federal State Joint Board on Separations in CC Docket 82-286 would be filing comments in the above-captioned proceeding that make three points about some "separations" consequences that flow from the Commission's finding in the February 24, 1999 order. Rolka said the comments should be filed later this week. State members are concerned with, among other things, certain mismatches in authority to effectively deal with costs/revenues and the FCC's pronouncements.

If you have any questions about this correspondence, please do not hesitate to contact me at 202.898.2207 or, via e-mail at jramsay@naruc.org. I have e-mailed copies of this letter to each FCC representative referenced above.

Sincerely,

James Bradford Ramsay
NARUC Assistant General Counsel
